Sauget/Lang Okeh Tire - FOS

On 8-20-92, I made an inspection at Lang Okeh Tire located in bay 13 of the Sauget Warehouse off Route 3 and Monsanto Dr.

The purpose of this inspection was to monitor the progress of the removal of tires from this site by Rich Lang. No one was present at the time of inspection and the warehouse was locked and inaccessible.

There was a truck on the east side of the warehouse loaded with approximately 400 - 500 tires(photo 1). On the west side of the warehouse was an empty truck(photos 2 & 3), a loaded tractor trailer(photo 4) and another truck loaded with whole and split tires(photo 5).
